To the Nordentoft family - I would like to send my deepest sympathies to Dennis's wife and family. My name is Kirk Engholt and grew up with Dennis in West Racine. We both attended school together from Kindergarten on through Park High and started our friendship while spending hours and hours on the playground of Fratt Elementary School. 'Nurdy' - his nickname we used all the way through school - was always a great athlete and played the game hard and most importantly always in a spirit of sportsmanship. I particularly enjoyed all the time we spent playing pick up games on the playground basketball court. Those are some of the fondest memories I have growing up in Racine. He'll certainly be missed by all who knew him. Peace be with you during your time of need. Best regards-Kirk Engholt, Plymouth, WI
