Dear Nancy, John, Gary, and families, My sympathies to all. I know that right now that does not give much comfort. I wish I was there to give you all hugs. I have so many memories of your mother. Nancy, I know you and I have talked many times about the Thanksgivings we spent together. Our vacations in the summer. The Friday lunches I spent at your house because I could not stand hot lunch at St. Eds. The times I was at my mother's house and the visits your parents made or just popping in at her house for a visit or a wave as we drove by. She always made me feel welcome and loved. I'm glad that I got to visit her a couple of years ago when I visited Racine. When I think about all those whom we loved that have gone on to the next dimension, as sitting up at the lake, fishing, drinking, and having a great time waiting for the rest of us to join them. Maybe even Grandpa has his old boat back. Love you all, Jill
