Well my precious, you are now in the arms of Jesus, safe, no more pain, looking into His face must be the most wonderful thing ever. Then there is Dale and Axel and many more for you to visit with in heaven. We miss you terribly and cried many tears of sorrow for losing you and joy for you being in the presence of our Savior. I don't know how but I'm sure we'll find a way to go on without you. You will be in our hearts always. I may even miss your little "zingers" from time to time, you were a one of a kind, you and Alex Chernovsky. Remember the yard sales when we camped with Carol and Al, oh my what fun times, so many good memories. Thank you Lord for memories. Funny how we take things for granted until they are gone. I'm so thankful for all the sweet times we had in the past years and yes, the not so sweet times! Thank you for loving me the way I am and teaching me to not be to quick to judge others. My heart is breaking as I write this but I'll be ok, we all will. Till I join you in heaven, BIG KISS.

I know that heaven is in for a few laughs now, you , butch, and the rowdy gang from Tully, Fabius and surrounding areas are all together. You shared many years with your loving wife, and family, it was just time for you to go home. Your family here will be ok. For the memories you shared will always be imbedded in their hearts. Soar my friend.....

Memories only last if you share them
