Ah Jeannie, my God Mother... so many great memories of you, Karl and the kids growing up on Wright Avenue. I remember when you used to babysit me, and I would play records in your basement. I loved to watch you make cakes too. Smells were amazing. Tim and I are very sad to hear of your passing. Wishing Dawn, Diane, Sharon and David all the best during this difficult time. It's the hardest loss ever.

Dear Ciborowski Cousins, I am so sorry for the loss of your mother, Aunt Jean. It is never easy losing a parent, especially our last one. May you find beautiful memories to help you all through this difficult time and find comfort in knowing your mom is not suffering anymore. She is probably enjoying a cup of her percolated coffee and catching up with our relatives who went before her. And feeding all of them too! Her cakes were amazing!!Godspeed Aunt Jean.
