## **Jennifer Lee Bailey**

AUG 4, 1977 - OCT 9, 2024

**R**acine - Jennifer Lee Nieto (nee Bailey), 47, passed away on Wednesday, October 9, 2024.

Jennifer was born on August 4, 1977, in Portsmouth, Virginia, to Gerald Bailey and the late Lauren Miller. She worked as a Marketing Specialist at Case International for nearly a decade.

Jenni had a unique gift for bringing people together. As a natural caregiver, she created a warm and welcoming space for everyone around her. Her love for animals was evident in her many beloved cats, who thrived in her nurturing presence.

Jennifer is survived by her father, Gerald (Marlo) Bailey; her cherished son, Jerry Nieto; her sister, Julie (Shawn Larson) Bailey; her brother, Mike (Denis Sehmer) Bailey; and the family's long-time friend, Kenny (Dan Bina) Weber. She leaves behind a large extended family and a multitude of friends who will deeply miss her vibrant spirit and kind heart.

A celebration of Jenni's life will be held at Wilson Funeral Home on Monday, October 14, 2024, from 4:00 P.M. to 7:00 P.M. honoring her memory and the joy she brought to so many.

The family would like to extend a special thank you to the ICU staff of Ascension All Saints Hospital for the compassionate care they gave Jennifer.

Jenni was very close to me and my heart. My cat loved her dearly too... and her shoes.. lol .. dunno what it was. But whenever she'd come over he would be all over her shoes. We enjoyed a lot of different things, we loved the same music the same drinks... I'll never be able to have. Dr Pepper and Red Stag without thinking of her now... I loved her dearly. I'm gonna miss her and her kitties especially that fluff ball Crowley. I hadn't heard from Jenni in a while and had an itch to check in on her today and that's when I saw the news posted on her Facebook, I'm glad I caught it and was able to go to the celebration of life, but barely knowing anyone else I felt out of place. I do wish I could have been able to properly say goodbye to her.... She'll forever have a place in my heart an incredible soul gone far too soon.... I can only imagine what her son is going thru.. my condolences and thoughts go out to him and her family and friends.... She loved hard .. and she'll be missed equally as hard by all who knew her. I love you Jenni.... Rest in peace....

I worked in the same dept with Jennifer at CNHi from 2016-2019 and was sad to hear of her passing. She was such a nice person to work with and always brought a positive energy to work. The thing that I remember most about her was that she had excellent listening skills. She was the type of person that really paid attention to a conversation and was positive and thoughtful when responding. My sincerest condolences to friends and family. CT

Hard to process that we were as young or younger than Jerry at the time of this photo!

We I will never understand why I was kicked out of the family, but I love you all. I love you Jennifer and I'm sorry honey that you're gone. You were a sweet, sweet niece and I will love you forever. Your Aunt Diane P. Nobody can change that. Nobody.

I've known Jenni for 28 years and I'm so blessed to have known her through all of life's challenges and accomplishments. She's an inspiration to me and everyone who knew her. She was a ray of giggling sunshine ☀️ and she always left me in stitches. You can see what a loving mother she was to her kind hearted and strong son Jerry aka Jere Bear. I miss her already so much, and will keep watch over her favorite person. Rest In Peace dear friend.
