

## Carol Ann Chase

April 18, 1939 - November 2, 2019

Racine – Carol Ann Chase, 80, passed away on November 2, 2019 at Racine Commons Assisted Living.

Carol was born to the late Karl and Shirley (nee: Nelson) Klamm on April 18, 1939. She was united in marriage to Donald L. Chase on July 7, 1956. They were married for 57 years until Donald's passing in April of 2014.

Carol enjoyed sewing, knitting, and cooking. She could do it all. Carol and her husband, Donald, would camp with their granddaughter, taking her to Yogi Bear Jellystone Park. The couple also liked to travel to different state parks throughout Wisconsin in their motor home together. Carol also enjoyed taking drives by Lake Michigan with Donald on Sundays. She loved her dog, Summer, the dog who loves eating bananas. Carol enjoyed feeding the birds and feeding peanuts to the squirrels. She would enjoy the weather by sitting on her swing during nice days. She loved having flowers in her yard, they always brought a smile to her face. Her favorite TV shows were about cooking but she loved to read as well. Above all, Carol was a strong woman who had a big heart. She was strong-minded and always stood up for her family. Carol kept the household together and always took care of the people she loved. She was the best mother and grandmother anyone could ask for.

Left to cherish Carol's memory are her children: Ronald (Dianne) Chase and Susan Chase; grandchildren: Andrew (Katie) Chase, Kristin (Karl) Peura and Alyssa Chase; as well as many other relatives and friends.

Carol is preceded in death by her husband, Donald, and her son, David A. Chase.

Carol has been laid to rest at Graceland Cemetery with her husband and son.

The family would like to extend a special thank you to Racine Commons Assisted Living and Seasons Hospice for their special care for Carol.

“ I am sorry to hear of Carols passing, she was a wonderful, happy person. I first met Carol when she brought Susan to my dental office when she brought Susan in in 1975. At the time I worked on Villa St for Dr. Polidori. As you remember Sue, you were a challenge as a child, but your mother always kept you in line. Since then I had the privilege of treating all of the Chase family until my retirement in 2013. Carol and Don raised a wonderful family and I am sure you are all very proud. I hope all of you are doing well and best wishes for the future. Thomas Linstroth

“ Grandma you were the best grandma I could ever ask for. Papa must of came and picked you up in the Dakota on Saturday to take you home. Now you are with uncle David and Papa. I'll always cherish our memories and times together. I am so lucky for all the times and memories with you. You taught me so much about everything. You were such a strong woman. If words could even express my feelings of how much I love you and papa with how grateful I am for you both I would but there are no words big enough to say it. I just cant believe your gone still... I love you grandma
