“ I think about my uncle Chad everyday since his passing and it doesnt feel real. He was such a loving and caring person and would literally give you the shirt off of his back if you needed help. I feel that maybe god takes people sometimes from this world when they become to perfect and maybe uncle Chad was getting close. I know he is in a better place and we will all rejoice again one day.

“ Dear Brother-in-law,

You left us at far too young of an age and we are all still in shock, but we wish you farewell in your journey to eternity. We are in so much pain right now and we will all miss you so much. You will never be forgotten as you were a light in this world to so many. I will always cherish all of the years of memories we were able to have. Rest in peace.

Your Sister-in-law,

Shawn

“ Dear old Friends Dennis and Jeanne

I can't imagine the heartbreak that goes with losing a child. My heart goes out to you. Just knowing that he had accepted the Lord gives you some comfort. My prayers and thoughts are with you.

“ I am so sorry for your loss! I was looking forward to Chad coming to work at RCI to find out if he was someone I went to school with, sadly finding out here that he was indeed a former classmate. Condolences to the entire family!

“ Dear Nephew, you had such beautiful curly hair when you were little. I treasure the picture of you with Grandma Pittsley and your curly hair. You grew up to be a fine man. Though you are gone from your family you are present with your Lord and Saviour Jesus Christ. You are becoming reacquainted with family already in heaven. I am sure Aunt Tina greeted you and you entered heaven. Till I see you there I can only imagine what that day will be. You already know.

“ Dear Son,
You were so cuddly and cute and so very loved when you were born. You have been loved your whole life through. You will be loved forever.

My heart is breaking, but knowing that you openly loved and accepted Jesus as your Lord and Savior gives me peace. You have gone home to be with your heavenly Father. There's no pain or sorrow for you, but rather happiness and love.

I will miss your smile, your great big hugs, and all the things you did to show me how much you cared, but I have my memories, and i thank God for having given you to all of us for 54 wonderful years We are so grateful that you are saved!

With Bunches of Love,
Mom
