“ Karen was always so full of life and hope, even in the most trying times. During her battle with cancer she amazed me with her positive attitude and constant faith. Her eyes sparkled with hope even as her voice would quiver while fighting back tears. She always took such care in her appearance...those beautifully manicured nails and wardrobe so perfectly coordinated! She will forever be in my heart and I look forward to seeing her again in Glory!

“ Karen spoke often of her memories of playing football with her sons, trips to watch the sunset at Morro Bay with friends, her years working in the restaurant business and her years of being a caregiver. But most of all, she expressed her continued submission to the will of Christ in her life, even as she endured the rigors of chemotherapy and radiation treatment. She loved Christ, her family, the saints and her friends (and even her doctors). She was an example of endurance and kindness. We look forward to be reunited with her around the throne of our Savior. “ Her smile let everyone know she was in the room. The love in her heart radiated through her eyes when she spoke. We had Angels Baseball in common, and would always touch base on the most recent game during our weekly Bible study/prayer meetings. She was always the first one to laugh at my feeble attempts to crack a joke. Chico and I loved her so much and rejoice in the fact that she is now in the arms of Jesus. She will be missed, for certain.

“ Karen loved others with the love of the Lord. She always had a note or a kind word to share with a hug and a kiss. I admired how much her family loved her... she always had her nails and hair done and I used to tell her, "I want to be like you when I grow up" even though I'm in my 40's already! :) I love her and am at peace knowing I will see her again in God's Kingdom.

“ Karen was a very strong woman. She had her opinions about many things, big & little, and stuck by them. Karen's favorite at the FBC of Rialto daybreak breakfast was Biscuits & Gravy. She was missed when she moved to Wisconsin, and will be further missed now that she has gone Home to the Lord.

“ Kenny and I will miss her very much! She was so fun and always so grateful for any little thing done for her. She was quick to laugh and always enjoyed Kenny's teasing, which was frequent => I know how much she is loved by her family, and I want you all to be reminded how very much she loved you. Carol, you were more than a daughter to her this past year, and we all thank you for the loving care you gave her. To her sons, you were the joys of her life. I pray God's blessings on each of you. I know Karen will be waiting to greet each of her loved ones in Christ with that beautiful smile and loving hug. Till we meet again, dear friend!
