“ My Sister Rosanne Dovel (Sacksteder) brought Peter Mauer's passing to my attention. Although not a close relative I do send my condolences to his family. So you may know who I am my mother was Cecilia Sacksteder. I was born and raised in southern California. Spent twenty years in the Air Force as a Captain. After the service my wife, Kathy, and I have lived in Colorado Springs. We have two children. Ellen has her PHD and teaches biology at a college at Hastings Ne. Christopher in the global product manager for water purification systems for DOW chemical and lives in Minneapolis Mn. After the service I was computer programmer and totally retired in 2005. My wife Kathy has been the bedrock of our family, from instilling the love of reading to our children, to managing many moves in the service, to putting up with me for over fifty years.

“ My fondest memory (of many with Peter) was bring the last Reel Fun to Racine from Ohio. On our second day we over nighted in Mackinaw city where Peter made a perfect approach to the dock and slid his new(to him) boat into a slip in a strong current and cross wind. The dock master said wow you must really know that boat well and couldn't believe it was only the second time he had docked it. Hoping I still have few years before I join you in life's net great adventure, Nancy and I wish we could be there to share our sympathy with the entire family.

“ I sure will miss my Uncle Pete, I will hold onto the memories of camping on the Mississippi river with him, Aunt Mary, Shelly & Snowflake for a lifetime. It seems like just yesterday Shelly, Snowflake & I were climbing into the boat in the middle of the night full of sand & soaked to the bone. We were going to be such brave souls tent camping by ourselves on the beach! How I laugh at that memory - Uncle Pete & Aunt Mary's patients were tested quite a few times with our many sleepovers. Oh how Shelly & I had so much fun in our youth, thank you Uncle Pete for those memories. Love you now and forever Linda

“ This is his little sister Jenny. When I was 16 and had just got my license, I didn't have a car and Pete was going to sell his and get a new one. He sold his Rambler to me for \$1. I will dearly miss you my loving big brother.
